Luke 2:11 Amplified Bible

Chiangrai, Thailand, 2017-12-17

Dear friends,

The year again almost comes to an end and soon we all will celebrate Christmas and New Year 2018. This last year again for us in Baan Zion has been an awesome year looking at our girls and seeing how healthy and strong in the Lord they have been and how good they have performed at school and in University. A year with many bumps looking at the fact that we had to forcefully move to a new location and all the other rules and regulations we under the new law had to comply with. But knowing that you stood with us in prayer and financial support, for us made the difference and we are enormously grateful for that. Again, we could not have done it without you.

For 2018 we already now see and do experience that the Lord is working towards new and great things for our Ministry and we believe that it will be a year of restoration and growth towards helping more girls. We thank you for all you have done this year in prayer and financial support and we pray that you will also join us in the year to come.

We on behalf of our girls and our staff do wish you a Merry Christmas and abundantly blessed 2018.

Rev. Dr. Jan and Ps Ellen Smit
