### **Breaking news November 2018**

Dear friends

We need to share some really great news with you.

As mentioned in our previous news flash, we were in the process of looking for and the buying of a house for our Ministry.

Well, all praise and glory be to the Lord. We found the exact house we wanted and needed, and meantime have signed the contract.

We have made our down payment and after all the needed paperwork is done by our lawyer, will finalize the purchase and have all the relevant land and housing documents in our name.

After that we can move our Baan Zion Tribe to the new house, and for next year start fresh in and from this new location.

(Sneak peak picture of the house)

Fresh in the sense that having our own house, it will save us the rent on the two present houses.

Fresh in the sense that I due to new regulations that make this possible, have made a significant staff change by letting two staff go per the 1st of January 2019, which will add to the so needed savings on our high monthly overhead.

Money, we will be able to use on the needs of our in-living girls, like clothing, schooling and University tuition. Things that now are very difficult. And it will offer the opportunity on furthering our **"One village at the time"** project, helping young girls within their own families in their village of origin.

This leaves us with 3 staff members. Kwan, Wan and 'mother' Wan.

We have always focused on empowering girls and young women in leadership and looking at today, next to me, the Ministry is already run by Kwan my manager and Wan my oldest daughter, who with me share in a big part of the responsibilities in all government related and other paperwork, raising the girls, handling needed finance, book keeping and helping me in furthering our Ministry towards girls in need in the villages.

"Mother" Wan is responsible for everything concerning all household tasks, and certainly very important, being a big hugging and loving mama.

The Lord has promised us that this would be the year of restoration and it came to pass, with much more in store for next year of which we will inform you soon.

God bless you all,  
Rev. Dr. Jan & Ps. Ellen Smit
