News flash January 2020,

Dear friends,

Baan Zion-ZCCT  
[www.facebook.com/baanzion](http://www.facebook.com/baanzion)  
[www.zcct.org](http://www.zcct.org)

This both in Baan Zion as well as in the villages where we are working.

The ongoing need of young and vulnerable girls we are confronted with in these villages is something we just cannot ignore or close our ears and eyes for.

Our weekly presence in those villages is a beacon of hope. As previously written in our news flashes, people in these villages come to hear about Jesus, they come for prayer and healing and the Lord is doing awesome things.

As we shared with you in our December news flash, last year was a very special year. And for this year we have faith in even more and greater of the Lord's blessings.

The year already started of with some great changes. We have welcomed a new girl into Baan Zion and added two more girls to our village project and more girls are

to come into our care during the year.

People give their hearts to the Lord Jesus and we have seen people being set free from demons, generation curses, seen people healed of bowel cancer, thyroid cancer, ovarian cancer, blindness, physical deformities and women getting pregnant while it was medically impossible.

A mighty work of the Lord in the villages and also in our Hill Tribe church is happening. People are changed, set free and healed.

The church during the last 6 months has doubled in attendance. We have seen that there is a big change going on and a new powerful Holy Spirit wind is blowing.

Young people that never came to church have accepted Jesus

as their saviour and have made choices to lay down their lives for Him and made commitments to serve Him fully with all that is in them.

### **Gospel meeting/outreach**

Looking at all of this, we with our team have been seeking the Lord in what the next step may be. The Lord has very clearly spoken to our hearts and confirmed this by Scripture and our most important external advisor.

This year 2020, will be the year of the **HARVEST** of many souls in the Hill Tribe villages.

To reach many as we can, we in the month of April are organizing our first big Baan Zion 4-day Gospel meeting/outreach in one of these Hill Tribe villages. And a lot has to be done. We are already inviting people from the villages we work in and other surrounding villages.

We are preparing children and youth programs, general services, Bible studies, workshops, and rehearsals with our band, and of course the Baptism service for the new believers that in the last couple and coming months gave their hearts to the Lord. People need a place to stay overnight and as normal here, we also have to provide in at least one simple meal per day for those attending.

We need you, or better said He, Jesus Ha Mashiach the Anointed One, needs you to bring His life changing, liberating, healing, chain breaking and everlasting life-giving Gospel to those that need it so much.

Please pray with and for us during the coming months and if on your heart please donate towards this special event, bringing lost souls into His Kingdom.

### **Baan Zion girls**

Roads here are very dangerous and unfortunately one of our girls had a serious accident and ended up in hospital for a couple of days with many bruises, a slight concussion and a wound on her ankle and several broken fingers, for which surgery was needed. We are very grateful that she meantime is almost fully recovered.

All girls, both at the Uni as well at High School, have weekly tests working towards the long summer holiday that will start in March again. No need to say that they are looking forward to that.

### **Village girls**

Also the girls in the villages due to our support and weekly check-ups are doing very well, now they have good and healthy food and are able to go to school. For both the girls as their grandmothers life has changed for the better.

### **Land**

Adjacent to our house there now is a piece of land available for sale. This absolutely is an unexpected opportunity, that could give an enormous impetus to our Ministry.

We would love to buy and add this to the land our house is on. We based on what we saw happening last year and the fantastic start of this year have a vision for growth in the help of girls within our peer group. On this land we would like to start a self sufficiency project. The land is very fertile and we could grow our own vegetables and fruit, we could raise chickens and even start an aquaponic fish breeding. This would foresee in almost all food items we need, and we could distribute the surplus among the poor people in the villages.

Future wise we could built an extra house and give more girls a safe place to grow up. The owner has a certain price in mind, but we are sure we can negotiate the price down substantially.

We would like you to pray for the Store House of our Father in Heaven to be opened so that by the work of His Mighty hand the money needed to buy this land will come available.

We are very grateful for each and every one of you, that also this year will stand next to us in prayer, in promoting our Ministry, in advising us, by giving donations and giving whatever help we have not mentioned.

Thank you so very much and may the Lord bless you abundantly,

Rev. Dr. Jan and Ps. Ellen Smit
