News flash February-March 2020

Dear friends,

While I am writing this, a lot is going on in the World and many people are afraid of what the future will bring and how the current situation is impacting their daily lives. But, as children of God we may experience His rest and peace above all understanding and know that His guardian Angels are surrounding us.

Girls

Of course, we must be wise and careful. Reason for us to put Baan Zion on complete lock down. All girls from elementary up to University have their summer holidays now, but as we are on lock down cannot go anywhere, nor are any people allowed to come to our house.

Shopping and other absolutely needed outside errands are exclusively done by my oldest Wan and manager Kwan.

Both of them follow very strict protocol for this and we of course have enough food, medication and whatever we need in the house.

Thus, we minimize all outside social contact and possibility of infection.

It is a different holiday now for the girls. Normally we have lots of outside activities, from swimming, hiking, village visits to shopping and evenings at the Night Bazar.

Now we do things at home and even though the reason why is not nice, it brings the family closer together.

We have many (board) games to play, extra tuition for both English and Thai are given by the

older girls, guitar and key board lessons, lots of drawing and painting is done, they hold Baan Zion fashion shows and now are allowed to watch some more TV.

We are very grateful for our garden the younger ones can play in and our small vegie, fruit and herb garden that now is given extra attention.

And of course, extra time is spent in daily Bible reading/study and prayer.

For the work in the villages and the planned outreach in April, I also had to make the needed changes.

At date we adapted our interaction with the families of the girls and the people in the villages that come to see us when we visit there.

This to safeguard ourselves as a team and the people in

the villages. Of course, all needed health precautions are taken.

But, Church has been closed and postponed until further notice, since we consider gatherings of so many people now as irresponsible.

And I also had to make the decision to postpone our April outreach until the October holidays here.

Dear friends, we are living in special times as predicted in Scripture, but we may live in the assurance that our Lord and Saviour Jesus Christ, Ha Mashiach, The Anointed One, has us in His hands and that our names are written in His Book of life.

The more reason for us as His children to be a living testimony and to testify to those that are in confusion, and need His loving and life changing Gospel so much now.

Thank you for standing next to us.
Stay safe and covered by the Blood of
Jesus and may He bless you abundantly.

Rev. Dr Jan and Ps. Ellen Smit
