Extra news flash March 2022

Dear friends,

Walk by faith and not by sight exactly is what we have to do. As many of you know from personal experience and lives' challenges, it not always the easiest walk to make and sometimes we may even be tempted to stop with what we are doing. And that would be exactly what our adversary is hoping for.

As I on February 27th shared on Face Book and in our latest news flash, we experienced a full force attack on our Ministry here in Thailand. Our finances nose-dived down in January, which put us up with a challenge looking at furthering our Ministry in the mountain villages.

Personally, our son his health situation got even worse to an extend that he is unable to do anything by himself, he most of the days is in pain and needs 24/7 care with everything.

Not the most ideal position if you see that your Ministry, so all the girls and staff that depend on you, is under threat and being 10.000km away from your son in the knowledge that all sort of extra travel requirements mean that you are not home in 24 hrs. so it be needed.

For us, Ellen and me, as founders and ministry leaders it means a constant focus on what the Lord has called us for and standing firm on His promises. Even in times we do not see them, but seem to experience the opposite. But we will not back down and will not give in, since we "wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places" Ephesians 6:12 KJV.

New girls in the village project

We will continue to rescue girls in the villages and bring them under our care.

We will continue to reach out with the Gospel in those villages and we will continue with praying for the sick and those in bondage and set the captives free.

The last two weeks for us have been a huge blessing in going up the mountains and being able to rescue and bring 4 new girls in our care. And more are to come.

(Nina, Sherry, Néné and Apple)

All 4 of them were left with old, poor and one very sick grandmothers the moment their mothers were incarcerated. Fathers are unknown or took off with new girlfriends and their whereabouts are unknown.

Most of the villages we go to are Animistic and people there live according to those rituals and believes.

Many girls have active "mo pi" or male/female witches or shamans in their families and many people here suffer from generational curses and spiritual resistance can be fierce every now and then.

But He Who is in us is greater than he who is in the world, and we break every generational curse that lies on the children coming into our care, we set them free and place them under the protection of the Blood of Jesus. And being in those villages we share the Gospel and pray for each and every one that is sick or in bondage and the Lord each and every time shows His Might and Glory.

Thank you for standing with us and please lift up some extra prayers for our Ministry, our family and in special for our son.

God bless you all,

Ps. Ellen and Rev. Dr. Jan
